

CHARITY FOOTBALL MATCH

Every year our under 13's team, play a Charity Match against Frank Parker.

The money raised goes to Wish upon a Star & George Eliot Breast Cancer Unit. Last year we raised over £5000. We would like to try and beat this record. But we need parents support. The Match will be played at Westwood this year on the floodlit pitch, sometime in March (date tbc).

We are looking for Parents to form a Fund Raising Sub-Committee for the above. If you have any ideas or want to help, speak to Barry or Jackie.

GOALKEEPER TRAINING

Steve is now going to train the under 8's to the under 11's, and then the Under 12's to the Under 16's on alternative weeks.

There will be no goalie training during half term week. Training for the older group will begin on the 2nd of November 6pm until 7pm. With the younger group training the following week 9th of November.

TRAINING TOPS

Some of the Club have their new training tops, the others haven't been forgotten.

Nike have let us down on the delivery of the small & medium men's sizes. They will be here at the beginning of November. All the other sizes have been delivered, but we want to give the whole team their shirts.

TRAINING WEAR

Please could you ensure that your child doesn't wear a hooded top to training. This is for your own Child's protection; if a hood is pulled it can cause strangulation.

CLUB PLAYER OF THE MONTH

This Months Players of the Month are:

Under 8's Joe Cairns

For his good technique, eye for the goal and excellent attitude.

Under 13C Adam Kirkwood

Has shown the greatest commitment and dedication possible for the start of the season, without him morale would be poorer.

Under 14's Tom Kirby

Thomas came back after an injury. He wanted to give up football, but rejoined chaps last year. Last season he gained best player, man of the match. Tom will play out of position when needed and gives 100 per cent in games and training.

REMINDERS

Behaviour at Pitch Side

If a referee or Linesman asks for you to move away from the line please do so.

We need to remember that the majority of our referees are only children themselves and should not be abused in any way. Abuse of referees will be reported and can be treated as child abuse. Any problems with a referee, your manager will put on the team sheet after the game.
